HELPING LOCAL PEOPLE AT CRISIS POINT

Meon Valley Food Bank is a church-led project bringing the community together to help support those in time of need. We provide dried and tinned food donated by churches, individuals, charities and businesses for people struggling to get by. Local agencies refer people to us providing vouchers which we exchange for food. These organisations include children's centres, Citizens Advice Bureau, Home Start Meon Valley, job centres, pre-schools, schools and surgeries.

All referrals are confidential
